PETITION TO LIMIT BUILDING HEIGHTS IN DOWNTOWN WEST CHESTER

To protect the integrity and character of our Historic Downtown while allowing for responsible growth and development, we ask Borough Council to:

GreenTree Building

1. Limit the height by right of buildings in the Downtown [see map on reverse] to 45 feet (the traditional three story height); and

2. Permit property owners to apply to Borough Council for construction of Downtown buildings to a height of up to 60 feet (the height of the GreenTree Building at the corner of High and Gay) so long as appropriate conditions, as set by Council, are fully met.
